Grand Slam Wine Tour

Nestled in the heart of California’s famed Wine Country, Inn Marin features a one-of-a-kind vintners package for those interested in sampling wine in four fashions, namely by air (balloon ride), hooves (Roche Winery horseback tour), land (via limo) and in bed (inspired by the breakfast in bed concept). This excursion requires a minimum of two nights and includes a deluxe king-bedded room as well as daily breakfast. Rates start as low as \$??? for two nights.

The Suite Life (Family) Package

An ideal resting ground for families large and small, Inn Marin is a child-friendly property with an expansive “playing field,” secure swimming pool/Jacuzzi and single story accommodations. Fashioned after the popular Zack and Cody sitcom, Inn Marin offers The Suite Life Package, which includes two adjoining rooms for two adults and two children (under 18), poolside refreshments and breakfast for four. Rates start as low as \$??? per night.

Romancing the Bay

Romantics won't be disappointed when they check into Inn Marin for a getaway that caters to all the senses. To begin, couples will be greeted by the essence of a dozen roses, thoughtfully placed in the quiet, king-bedded room prior to arrival. Taste buds will be aroused by an intimate poolside or in-room five course dinner, paired with wine, especially prepared by Chef Noe Martinez. The special "touch" will be realized with one pair of soft, bamboo pajamas for the couple to share (top for her/bottoms for him). The sense of sight will be rewarded by the resplendent and blossoming garden, right outside the couple's courtyard room. And, the sound of quiet in this garden hideaway will inspire the romance in which the twosome is searching. Rates start at \$??? per night.
