(Novato, CA --- 12/8/08) --- Novato's popular Rickey's Restaurant is celebrating its fifth anniversary by launching a year-long community giveback campaign. Beginning in January 2009, Rickey's will feature a line-up of local non-profit beneficiaries who will each be the recipient of their designated monthly fund-raising campaign.

Here's how it works: on the second Wednesday of each month, 40% of food and beverage revenue in the restaurant that day will be donated to the designated non-profit of the month. Inn Marin will complement this special promotion by launching a hosted (open-to-the-public) appetizer reception from 5:00 to 6:00 p.m. Guests will then be invited to order off of Rickey's regular menu, while two non-profit representatives sit close by at a table hosted by the restaurant.

Non Profit Partners for 2009:
